

Acquisition profile of INDUS Holding AG

We buy companies

- in attractive market niches and with good earnings,
- with an annual turnover from 15 million EUR to 100 million EUR,
- with headquarters located preferably in Germany, Switzerland or Austria and possibly international activities,
- with a majority stake initially and a 100 % stake on the long term.

We offer

- long-term involvement,
- preservation of the independence of medium size companies by leaving management and responsibility at the company,
- concentration of crossover functions such as financing, financial reporting and taxes in a small holding company with efficient decision making processes,
- strictly confidential treatment of all information brought to our attention with regard to investment opportunities.

We exclude

- restructuring cases and start-ups,
- pure trading or consumers' goods businesses or companies with a strong dependence on single customers,
